

Lake Mills Community School is following the Iowa Department of Public Health guidance in regards to illness during COVID-19, as outlined below. We are doing everything we can to ensure the health and safety of all of our students and staff.

Name: _____ Date: _____

What symptoms is your child having?

Low Risk Symptoms

Fever	Headache	Muscle/Body Aches	Fatigue/Tired
Sore Throat	Runny Nose	Congestion	Nausea
	Vomiting	Diarrhea	

High Risk Symptoms

New Loss of Taste or Smell	Shortness of Breath
New Cough	Difficulty Breathing

If your student exhibits ANY high-risk symptom or two or more low risk symptoms they need to stay home!

In order to return to school, the student needs one of the following in addition to resolution of the symptoms (feeling better):

- Documentation of a Negative COVID test
- OR a note from a medical provider with an alternate diagnosis.
- OR they may return after 10 days from the onset of the symptoms.

Please communicate any positive COVID test as soon as possible via email to Joan Krull @ jkrull@lake-mills.org

If you see a medical provider, you may use this form as proof of alternative diagnosis if you have it completed by the medical provider.

Alternate Diagnosis: _____

Date of return to school: _____

Medical Provider Signature: _____ Date: _____
